### EXECUTIVE SUMMARY

**RESEARCH:** Dr. Tootle is currently funded as Lead-PI by the National Science Foundation (NSF), Paleo Perspectives for Climate Change (P2C2) program (Total: ~\$450+K (UA-\$348K), 7/2018 to 6/2021) and as Co-PI by the U.S. Environmental Protection Agency, Gulf of Mexico (GoM) Program (UA-\$299K, 11/2017 to 10/2020) and the USGS/AWRRI Program (UA-\$75K, 01/01/2019 to 12/31/2019). Each of these awards was in highly competitive programs with award success rates traditionally less than 10%. In past research as Lead-PI, Dr. Tootle has been awarded \$1.75M including awards with the NOAA MS-AL Sea Grant Consortium, the United States Geological Survey and NSF P2C2.

**SCHOLARSHIP:** Dr. Tootle has forty-two (42) peer-reviewed journal publications and sixteen (16) peer-reviewed conference proceedings. His current Google Scholar H Index is sixteen (16). He has successfully chaired and graduated four (4) PhD students and nineteen (19) Master's thesis students. He has chaired and advised numerous non-thesis Master's students and has ninety (90) technical presentations. Dr. Tootle consistently integrates undergraduate students in research which has resulted in nine (9) technical presentations being led by UA undergraduates since 2018.

**TEACHING:** Since arriving at UA in Fall 2012, Dr. Tootle has provided instruction to over 1,200 students. Dr. Tootle provides a tremendous service to his department by serving as an instructor for CE 401 – Senior Design and, teaching courses with the Honors College and UA's Faculty Led study abroad program. Dr. Tootle's Student Opinions of Instruction (SOI) scores are consistently above average.

**SERVICE:** Dr. Tootle served as an Associate Editor with the American Society of Civil Engineers (ASCE), Journal of Hydrologic Engineering for six years. He has served on an ASCE national committee and has moderated several sessions at the ASCE World Water & Environmental Resources Congress. He has Co-Chaired sessions at the American Geophysical Union (AGU) Fall Meeting and served on a national AGU Hydrology Section committee. While at UA, he served for two years in the UA Faculty Senate and has provided support to his department by serving on various committees (ABET, etc.) and, on multiple occasions, as chairman of faculty search committees. He has been awarded several teaching awards and continues to serve as a reviewer for both journal articles and research proposals.

**MILITARY SERVICE:** Dr. Tootle retired in 2013 at the rank of Captain (O-6) after a 25+ year career in the United States Navy, Civil Engineer Corps. He was involuntarily recalled to active duty (post 9-11) on two separate occasions (US European Command and US Central Command). He served as Executive Officer, Naval Mobile Construction Battalion (NMCB) EIGHTEEN in Fort Lewis, WA (2003 to 2005) and as Commanding Officer (CO) of NMCB TWO-FIVE in Fort McCoy, WI (2009 to 2011).
